Welcome from Unit 5

Marching Band Members, Parents, and Guests,

It is our pleasure to have you here on the campus of Illinois Wesleyan University for the Normal Marching Band Invitational! Normal Community and Normal West High School each have a rich history of music education, and our students participate in a variety of outstanding musical opportunities. Whether performing in our auditoriums, in the community, or on the field, our student musicians and music faculty strive for excellence. It is in the spirit of this tradition that we host this year's marching band invitational.

We congratulate and wish each participant well as they perform today. The crowd will surely be treated to a series of excellent performances!

Good luck to all the schools!

-Angie Codron, Principal of Normal Community West High School

- Adam Zbrozek, Principal of Normal Community High School
