BOA St. Louis Super Regional Championships

What to pack

Parents who are interested in riding the bus, chaperoning, helping with the pit crew, etc. should sign up at normalmb.org. Please do so by Tuesday, October 15, so that bus and crew lists can be generated during the week of the event.

Parents, if you cannot join us in the stadium, visit flomarching.com for streaming options.

Additional event information can be found at marching.musicforall.org.

Remember your black socks, gloves, and blue show shirt. Also remember to remove nail polish if your fingertips are not covered, and bring hair spray, bobby pins, etc.

Bring breakfast/bus snacks as well as money for fast food lunch and dinner. (You are welcome to pack a sack lunch, if preferred.)

Be sure that you have signed up for the BAND app and have your notifications turned on!
